.... **another
‘buzz’ word?**

network - communicate with and within a group;

"You have to network if you want to get a good job" ;

the act of working using computer network; the act of meeting new people in a business or social context

en.wiktionary.org/wiki/networking

networking (noun)- the developing of contacts or exchanging of information with others in an informal network, as to further a career

<http://www.yourdictionary.com/networking>

REAL 2

Consortium

**of 8 language teacher associations
from 8 different countries:
France, Great Britain, Spain, Romania,
Germany, Lithuania, Poland
coordinated by CIEP
(Centre International d'Etudes
Pedagogiques),
from Sevres, France.**

Lifelong Learning Programme

This project has been funded with support from the European Commission. This communication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

REAL 2project:

brings together language teacher
associations of many different shapes
and sizes.

What they have in common is the
desire to promote linguistic diversity
and the teaching of languages, and to
support language teachers.

Lifelong Learning Programme

REAL 2 Background:

www.ciep.fr/real/

**REAL 2 is based on
REAL 1,
which produced a feasibility study
identifying 138 associations,
representing 154 000 language teachers,
with the view of creating a
European network of language teacher
associations.**
